AY 2025-2026

CONFIDENTIAL

Teacher Name:	Christian Barral	No. of Respondents:	157
----------------------	------------------	----------------------------	-----

I. Preparation (Weight: 15%)

Question	Average	Interpretation
1. Prepares the course syllabus and presents it to the students at the beginning of the semester.	3.42	SATISFACTORY PERFORMANCE
2. Orients the students on the grading system, course requirements, and class policies.	3.24	SATISFACTORY PERFORMANCE
3. Follows the topic outline in the course syllabus.	3.35	SATISFACTORY PERFORMANCE
4. Comes to class well-prepared with instructional materials and learning activities.	3.42	SATISFACTORY PERFORMANCE
5. Demonstrates mastery of the subject matter.	3.3	SATISFACTORY PERFORMANCE
Section Average	3.35	SATISFACTORY PERFORMANCE

II. Teaching and Learning Process (Weight: 35%)

Question	Average	Interpretation
1. Starts and ends the class on time.	3.39	SATISFACTORY PERFORMANCE
2. Discusses the intended learning outcomes at the beginning of each lesson.	3.5	VERY SATISFACTORY PERFORMANCE
3. Presents topics in a clear and organized manner.	3.34	SATISFACTORY PERFORMANCE
4. Uses varied and appropriate teaching strategies and methods.	3.41	SATISFACTORY PERFORMANCE
5. Integrates real-life examples and current trends in the discussion.	3.38	SATISFACTORY PERFORMANCE
6. Encourages active student participation and collaboration.	3.35	SATISFACTORY PERFORMANCE

II. Teaching and Learning Process (Weight: 35%)

Question	Average	Interpretation
7. Utilizes instructional materials and technology effectively.	3.36	SATISFACTORY PERFORMANCE
8. Provides opportunities for critical thinking and problem solving.	3.42	SATISFACTORY PERFORMANCE
9. Gives clear and specific instructions for learning activities.	3.29	SATISFACTORY PERFORMANCE
10. Relates lessons to the intended learning outcomes of the course.	3.38	SATISFACTORY PERFORMANCE
11. Adjusts teaching pace according to the needs of the students.	3.36	SATISFACTORY PERFORMANCE
12. Summarizes key points at the end of each lesson.	3.32	SATISFACTORY PERFORMANCE
13. Motivates students to learn beyond the classroom.	3.45	SATISFACTORY PERFORMANCE
14. Engages students in meaningful and relevant learning experiences.	3.29	SATISFACTORY PERFORMANCE
15. Provides supplementary learning materials and references.	3.32	SATISFACTORY PERFORMANCE
16. Promotes inclusive learning by respecting diverse perspectives.	3.41	SATISFACTORY PERFORMANCE
17. Encourages questions and provides satisfactory answers.	3.41	SATISFACTORY PERFORMANCE
Section Average	3.38	SATISFACTORY PERFORMANCE

III. Assessment (Weight: 25%)

Question	Average	Interpretation
1. Gives assessments that are aligned with the intended learning outcomes.	3.39	SATISFACTORY PERFORMANCE
2. Uses varied assessment methods (e.g., quizzes, projects, presentations).	3.44	SATISFACTORY PERFORMANCE
3. Provides clear rubrics or criteria for graded activities.	3.47	SATISFACTORY PERFORMANCE

III. Assessment (Weight: 25%)

Question	Average	Interpretation
4. Returns graded assessments and feedback in a timely manner.	3.43	SATISFACTORY PERFORMANCE
5. Provides constructive feedback that helps improve student performance.	3.34	SATISFACTORY PERFORMANCE
6. Ensures fairness and objectivity in grading.	3.37	SATISFACTORY PERFORMANCE
7. Discusses assessment results with students.	3.39	SATISFACTORY PERFORMANCE
8. Uses assessment results to improve teaching and learning.	3.41	SATISFACTORY PERFORMANCE
Section Average	3.41	SATISFACTORY PERFORMANCE

IV. Learning Environment (Weight: 10%)

Question	Average	Interpretation
1. Creates a safe and conducive learning environment.	3.34	SATISFACTORY PERFORMANCE
2. Treats students with respect and fairness.	3.38	SATISFACTORY PERFORMANCE
3. Encourages open communication and mutual respect among students.	3.34	SATISFACTORY PERFORMANCE
4. Maintains discipline and order in the classroom.	3.45	SATISFACTORY PERFORMANCE
5. Utilizes the LMS (Learning Management System) for course delivery and communication.	3.41	SATISFACTORY PERFORMANCE
6. Makes learning resources available and accessible through online platforms.	3.5	VERY SATISFACTORY PERFORMANCE
7. Is available for consultation outside of class hours.	3.29	SATISFACTORY PERFORMANCE
Section Average	3.39	SATISFACTORY PERFORMANCE

V. Teacher's Professionalism (Weight: 15%)		
Question	Average	Interpretation
1. Demonstrates professionalism in appearance and conduct.	3.3	SATISFACTORY PERFORMANCE
2. Shows genuine concern for the academic growth of students.	3.45	SATISFACTORY PERFORMANCE
3. Maintains confidentiality of student records and information.	3.36	SATISFACTORY PERFORMANCE
4. Upholds ethical standards in teaching and assessment.	3.47	SATISFACTORY PERFORMANCE
5. Shows willingness to improve teaching practices.	3.39	SATISFACTORY PERFORMANCE
6. Handles student concerns and complaints professionally.	3.37	SATISFACTORY PERFORMANCE
7. Demonstrates commitment to continuous professional development.	3.43	SATISFACTORY PERFORMANCE
8. Promotes the vision, mission, and core values of the institution.	3.43	SATISFACTORY PERFORMANCE
9. Serves as a role model to students.	3.39	SATISFACTORY PERFORMANCE
10. Demonstrates respect for institutional policies and guidelines.	3.4	SATISFACTORY PERFORMANCE
11. Participates in school activities and community engagement.	3.44	SATISFACTORY PERFORMANCE
12. Observes proper channels for communication and conflict resolution.	3.29	SATISFACTORY PERFORMANCE
Section Average	3.39	SATISFACTORY PERFORMANCE
OVERALL WEIGHTED RATING	3.39	SATISFACTORY PERFORMANCE

Comments / Remarks

Engaging lectures.

Clear explanations.

Positive Very supportive faculty.

Positive I learned a lot.

Neutral **Informative Class Lessons** The class was informative.

Helpful instructor.

Good teaching.

Neutral **Informative Class Lessons** Fair grading practices.

Neutral **Informative Class Lessons** Responsive to student questions.

Well-organized course.

Engaging lectures.

Positive **Informative Class Lessons** You set a high standard for clarity in teaching that really impacts our learning experience positively.

Positive Nakakatuwa na ehersisyo ang ginagawa natin sa coding. It's challenging but incredibly rewarding as well.

Neutral **Informative Class Lessons** More practical examples in class could help us grasp the concepts better. Hands-on learning would be very beneficial.

Positive **Informative Class Lessons** Your enthusiasm is contagious, and I admire how you make even the most difficult subjects enjoyable. Your classes are highlights of my schedule.

Neutral **Informative Class Lessons** May pagkakataon na medyo nalilito sa topics, especially sa sorting algorithms. Perhaps revisit them in future classes?

Positive **Informative Class Lessons** You always encourage us, which boosts our confidence. It's a great motivator to participate more in discussions.

Positive Di ko akalain na magiging interesting ang algorithms, pero you managed to make it captivating! Thank you!

Positive **Informative Class Lessons** You have a knack for making complicated topics easier to understand. Your teaching skills are truly commendable.

Neutral **Informative Class Lessons** One recommendation is to include more team activities. It could be a great way to learn from one another.

Positive **Informative Class Lessons** Your support during challenging times, especially preparing for exams, is very reassuring. Thank you for your understanding.

Neutral **Informative Class Lessons** Frustrating at times, pero sana mas dumami ang mga coding practices. Di lang theory, kundi application din.

Positive **Informative Class Lessons** You are very approachable and I really appreciate how you value every student's opinion. It makes us feel heard.

Neutral **Informative Class Lessons** Siguro, next time, makapag-design tayo ng hands-on projects to apply the concepts we learned.

Positive **Informative Class Lessons** I appreciate your use of varied teaching methods. It keeps us motivated and demonstrates how algorithms apply in different contexts.

Positive **Informative Class Lessons** Your real-life examples of algorithms were incredibly helpful. They helped bridge the gap between theory and practice.

Neutral Some classmates feel intimidated to ask questions. A more open environment could help those who are shy.

Neutral **Informative Class Lessons** I think having periodic reviews before major exams would help us consolidate our knowledge effectively.

Positive **Informative Class Lessons** Di ko inaasahan na matututunan ko to ng ganito ka-exciting! Your teaching style sparks interest in all of us.

Positive **Encouraging Teaching Style** Professor Barral, your feedback on coding assignments is top-notch. It really guides my improvement.

Neutral **Informative Class Lessons** Minsan ang class discussions masyadong academic. It would be great to

bring in some real-world problems to solve.

Neutral

Informative Class Lessons

More examples of algorithms from current tech companies would be useful. It could help us relate more to what we learn.

Positive

Informative Class Lessons

Ramdam namin ang commitment mo to teaching. We appreciate all the time you put into making class enjoyable.

Negative

Informative Class Lessons

The pace of the course is fast, but I understand it's necessary. Just make sure we are all keeping up with the lessons.

Positive

Informative Class Lessons

Your passion makes a big difference, pero sana maging clear ang prerequisites before advancing to more complex topics.

Negative

I feel like some of the topics could use more time. Some sections were just too condensed, making it tough to digest.

Neutral

I want to suggest a peer tutoring system within the class. It might help us learn from each other better.

Positive

Informative Class Lessons

I rarely find a professor as engaging as you, Christian. The dynamic discussions in class make the lessons unforgettable.

Positive

Super excited ako sa coding assignments. It's challenging but I love how they push us to think critically about problem-solving.

Neutral

Informative Class Lessons

You should consider including more visual aids in your presentation. Di lahat sa klase sanay sa theoretical approach.

Positive

Informative Class Lessons

I appreciate that you make yourself available for questions after class. Your willingness to help outside of lectures is commendable.

Neutral

Informative Class Lessons

Sana i-highlight mo ang mga essential algorithms na madalas ginagamit sa industry para sa practical application.

Neutral

Informative Class Lessons

I think it would be beneficial if we had more collaborative projects. Group work can enhance our understanding of algorithms together.

Positive

Informative Class Lessons

The way you explain divide and conquer strategies really clarified a lot for me. Your enthusiasm keeps the class engaging.

Positive

Informative Class Lessons

Ang grasp ni Christian sa mga algorithms nakaka-inspire. He makes the difficult principles seem more approachable.

Positive

The feedback on assignments is detailed and constructive, which I truly appreciate. It helps me improve my programming skills.

Neutral

Informative Class Lessons

The weekly quizzes keep us on our toes, though I think extending the quiz duration would be beneficial for some students.

Positive

Informative Class Lessons

Christian's testing methods are fair but challenging. I wish there were more practice exams available beforehand.

Positive

Informative Class Lessons

I find the course materials to be very well-prepared. The slides and supplementary readings were incredibly helpful for study.

Neutral

Informative Class Lessons

Minsan naguguluhan ako sa mga terminolohiya. Sana gumawa ka ng glossary for better understanding of the jargon used in class.

Positive

Your passion for teaching is evident, but I think more interactive activities could enhance our learning even more.

Neutral

Informative Class Lessons

Sometimes the lessons feel rushed, especially when covering difficult algorithms. More time for discussion would be great.

Positive

Encouraging Teaching Style

Tama si Professor Barral dahil he never dismisses our questions. I appreciate his patience whenever we struggle with a topic.

Positive

Informative Class Lessons

I love how you incorporate real-world applications in your lessons. It makes the subject more interesting and relatable.

Neutral

The assignments were challenging but helped reinforce our understanding of the material. However, there were times when I felt overwhelmed with the workload. A clearer pacing would be helpful.

Positive

Informative Class Lessons

Salamat, Christian, sa pag-explain ng mga complex concepts. Your detailed examples really help in understanding the theories behind algorithms.

Positive

Encouraging Teaching Style

Professor Barral is very knowledgeable about algorithms and always provides valuable insights during lectures. I appreciate his enthusiasm for the subject and how he encourages participation.

Neutral

Informative Class Lessons

Fair grading practices.

Positive

Responsive to student questions.

Well-organized course.

Engaging lectures.

Clear explanations.

Positive

Very supportive faculty.

Positive

I learned a lot.

Positive

The class was informative.

Positive

Encouraging Teaching Style

Sana mas maayos ang communication sa grading guidelines. Overall, I find Professor Barral to be a fair and committed teacher.

Neutral

I appreciate the way he encourages us to ask questions, but the grading can often leave us feeling unclear about our performance.

Neutral

Encouraging Teaching Style

Sir Barral's fairness in grading is commendable, but sometimes it feels too rigid. We might benefit from a more flexible approach.

Positive

Informative Class Lessons

I enjoyed the course but felt the grading could have been more lenient given the workload. More leniency might enhance learning.

Neutral

Informative Class Lessons

Ang kanyang lessons ay engaging ngunit ang grading methods ay minsang hindi klaro, I would appreciate more detailed rubrics.

Neutral

Encouraging Teaching Style

Professor Barral is an effective communicator, but sometimes the grading rubrics can be a bit confusing, which adds to our stress.

Positive

Informative Class Lessons

Good course overall. Fair grades, but wish we had more chances to revise our work based on feedback before final submission.

Neutral

Informative Class Lessons

I respect how he evaluates our work. Angie at grading process ay fair pero sana may room for improvement at feedback generation.

Neutral

Informative Class Lessons

His class is challenging yet rewarding. Grading seems fair, but understanding the expectations earlier would have made a big difference.

Neutral

Informative Class Lessons

Maganda ang structure ng class at fair ang grading, pero sana mas madalas ang feedback para alam namin kung saan kami nagkukulang.

Neutral

Encouraging Teaching Style

I like how Professor Barral engages with us during class discussions. However, I feel like the grading is sometimes hard to predict.

Neutral

Informative Class Lessons

He covers a lot of material swiftly, but grading seems harsh for those of us still catching up. Would be good to have some review sessions.

Positive

Encouraging Teaching Style

Ang attitude ni Sir Barral sa class is very open which I appreciate. Grading is fair, though a little more clarity could alleviate stress.

Neutral

Informative Class Lessons

I wish there were more opportunities for bonus points! The grading criteria are fair but a bit unforgiving sometimes.

Positive

Encouraging Teaching Style

The group grading can be tricky at times, but generally, I found Professor Barral to maintain fairness across the board.

Neutral

Encouraging Teaching Style

Minsan ang grades namin ay mukhang inconsistent sa effort na inilalagay. I hope we could discuss this with Sir Barral.

Neutral

Informative Class Lessons

His grading is generally fair, but I feel that sometimes our efforts don't directly translate to scores. More constructive feedback would help.

Neutral

Informative Class Lessons

The pace is a bit fast, but he grades fairly based on effort and clarity. I just wish the deadlines could be more forgiving.

Neutral

Encouraging Teaching Style

Professor Barral is a fair grader overall, but I think some assignments require a lot more work than what they're worth.

Neutral

Informative Class Lessons

Meron akong issues sa ilang activities dahil sa unclear criteria. Ang grading naman ay usually fair, pero sana mas stage by stage explanation.

Positive

His explanations are clear, and I've found grading generally fair. Still, it would be really helpful to post sample answers or projects.

Neutral

Informative Class Lessons

Bihira lang magbigay ng bonus points si Professor, so the grading feels a

bit rigid. I wish he would consider exceptional effort.

Neutral

Encouraging Teaching Style

Sir Barral encourages questions, which is good. Grading is usually fair, but we sometimes wonder about the transparency of marking.

Positive

Encouraging Teaching Style

I admire Professor Barral's teaching style, but some of the grades didn't reflect our effort. A review session would be beneficial.

Positive

Informative Class Lessons

The lectures are informative, pero sana mas consistent ang grading across all projects. Admittedly, I've been confused about some of them.

Positive

Informative Class Lessons

The interaction in class is great and enhances learning, but ang grades ay minsan nagiging source of anxiety para sa amin.

Positive

Informative Class Lessons

I appreciate how feedback is given promptly, but sometimes it's hard to understand the grading standards. More examples would help.

Neutral

Encouraging Teaching Style

Magaling si Sir Barral sa pag-address ng queries. Fair ang grading, pero ang mga deadlines ay sobrang nakaka-stress.

Neutral

He explains concepts well, but I felt some of the group projects were graded too harshly, especially when everyone contributes differently.

Neutral

Informative Class Lessons

Sana mas frequent ang formative assessments. Ang grading ay generally fair pero sometimes ang expectation ay mahirap abutin.

Positive

Encouraging Teaching Style

Professor Barral is approachable and always willing to help. Grading was fair but maybe less stringent on minor details would help us focus on learning more.

Positive

Informative Class Lessons

I learned a lot in this course, but the workload can be too much. Grading was fair, but more guidance on submissions would be helpful.

Positive

Informative Class Lessons

His lectures are engaging, but ang grading schemes ay dapat maayos. I hope he can give clearer feedback on how we can improve.

Positive

Informative Class Lessons

I appreciate that he allocates time for us to clarify our grades, but some activities seem to carry more weight than others, which confuses us.

Positive

Informative Class Lessons

Maganda ang pace ng class pero sana dalasan pa ang discussions. Grading is fair, though it can be a bit stressful.

Neutral

Informative Class Lessons

The grading criteria felt a bit inconsistent at times. I think he should explain them more thoroughly during lectures.

Positive

Encouraging Teaching Style

Bilib ako sa passion ni Sir Barral sa teaching. Fair naman ang grading, kaso sana mas madaming sample outputs para mas guide kami.

Positive

Encouraging Teaching Style

I really like how Professor Barral encourages us to think critically. However, both the expectations and grades can be a little harsh at times.

Positive

Informative Class Lessons

His feedback on assignments is helpful, but the grades can be strict. I hope he considers more of our effort next time.

Positive

Encouraging Teaching Style

Mr. Barral is knowledgeable about the subject, but sometimes the projects feel overwhelming. Grading has been fair, but I'd love more guidance on expectations.

Positive

Informative Class Lessons

Ang mga criteria sa grading ay medyo confusing minsan. Sana mas klaro para sa lahat. Pero overall, madali naman siyang kausap.

Positive

Encouraging Teaching Style

Professor Barral gives clear instructions and is generally fair with grading. I appreciate that he always gives us a chance to discuss our grades if we feel something is off.

Positive

Fair grading practices.

Positive

Responsive to student questions.

Well-organized course.

Engaging lectures.

Clear explanations.

Positive

Very supportive faculty.

Positive

I learned a lot.

Neutral

Informative Class Lessons

The class was informative.

Positive

Encouraging Teaching Style

Professor Barral's support during difficult topics was much appreciated. I would recommend him as an instructor to others.

Positive

Encouraging Teaching Style

Sana mas madalas ang group work! I learn a lot from my peers. Overall, great learning experience with Sir Barral.

Positive

Encouraging Teaching Style

Prof. Barral's classes are intense but rewarding. I like how he challenges us to innovate while coding.

Positive

Good course overall! I wish we had tutorials after class for tougher material. It would help reinforce the lessons.

Positive

Encouraging Teaching Style

The balance between theory and practice is amazing in this course. I feel prepared for upcoming challenges in my software career.

Positive

Encouraging Teaching Style

I prefer more collaborative work because it feels more dynamic. Still, Barral's straightforward approach is effective.

Positive

Professor Barral's real-world examples are engaging and insightful. I just wish there was more time for hands-on practice.

Positive

Informative Class Lessons

Minsan sobrang bilis ng lessons, but I appreciate that he encourages us to ask questions. His feedback is on point and definitely raises the bar.

Positive

Informative Class Lessons

Great lectures and the project work really helps solidify the concepts. I just wish he could provide more examples for us to follow.

Positive

Encouraging Teaching Style

The stress of deadlines was alleviated by Barral's motivational talks. His enthusiasm for software engineering is contagious!

Sana magkaroon tayo ng mga guest speakers sa future classes para makakuha tayo ng real-world perspectives. Overall, I'm satisfied.

Positive

Informative Class Lessons

I feel like I've grown as a developer taking this course. His way of explaining complex stuff is top-notch; very helpful!

Positive

Encouraging Teaching Style

Sir Barral has high expectations, which is good for us as students. However, feedback sessions should be more frequent to ensure we stay on track.

Positive

Encouraging Teaching Style

The group discussions on requirements gathering were insightful! Professor Barral facilitated well, but some of my classmates could be unproductive.

Positive

Informative Class Lessons

Minsan nakakainip pero ang dami mong matututunan. I appreciate the in-class coding sessions. They helped me a lot with practical skills.

Positive

Informative Class Lessons

I liked how he encourages us to be innovative in our projects. It makes everything feel fresh and exciting. Sana mas marami pang real-life applications.

Positive

Encouraging Teaching Style

Professor Barral really pushes us to think like software engineers. I learned a lot during class, though there have been some communication issues.

Positive

Informative Class Lessons

Sobrang hands-on ng class namin. I loved the peer reviews, and pra malaman mo kung ano yung areas sa coding na kailangan mo pa improvement.

Positive

Great course materials! I enjoyed the projects, though the time management aspect was critical and stressful.

Positive

Encouraging Teaching Style

Sir Barral is very knowledgeable and has a good sense of humor. Nag-enjoy ako sa mga lectures niya, but I'm still unsure about some of the core concepts.

Positive

Informative Class Lessons

I appreciate that he incorporates current industry trends in his lectures. It makes everything feel more relevant and applicable.

Positive

Informative Class Lessons

Minsan medyo intimidating siya, pero once you get to know him, he's actually very helpful. Gusto ko na nakikita niya ang strengths ng mga students.

Positive

Informative Class Lessons

Better than my previous courses! He explains things better than the materials. I'm more interested in software engineering now than ever.

Positive

Encouraging Teaching Style

Prof. Barral encourages collaboration among students, which is great for learning. I felt supported throughout the semester.

Positive

Isa sa mga strengths ni Sir ay ang organization ng kanyang lessons. Very systematic ang approach, which makes it easy to follow along. I highly recommend him.

Neutral

Encouraging Teaching Style

Sir Barral's feedback really helps improve my understanding of software engineering concepts. Pero sometimes masyadong loaded ang projects ng deadlines.

Positive

Informative Class Lessons

Tama lang ang pace sa klase. I just think we could have discussed more examples on test-driven development. Overall, I feel more confident in my coding skills.

Positive

Encouraging Teaching Style

I had a positive experience despite the difficult topics. Prof. Barral was open to questions, ang dami kong natutunan about project management and legacy systems.

Positive

Magaling na professor! Napapadali niya ang mga complex topics like software metrics. Tapos pag

nag-a-assign siya ng projects, talagang konkretong learning experience.

Positive

Encouraging Teaching Style

Professor Barral really knows his stuff! His lectures were often more informative than the textbook, and I appreciated his extra resources.

Positive

Encouraging Teaching Style

Si Sir Barral ay very passionate. Madalas niya kami tinatanong kung okay lang ba kami sa pace ng class. He really cares about our understanding, which is a huge plus.

Positive

Informative Class Lessons

Sana mas marami pang coding exercises! Di ako masyadong makasunod sa lectures minsan kasi mabilis siya. Pero, sa kabuuan, maganda ang feedback niya sa aming mga outputs.

Positive

Encouraging Teaching Style

Good course overall. Professor Barral gives constructive criticism which helped me grow. It would be great if we could have more labs to apply what we've learned in a hands-on way.

Positive

Informative Class Lessons

He is always enthusiastic during lectures, which makes classes more engaging. I enjoyed the interactive discussions on system architecture, though I think we could have used more practical examples.

Positive

Encouraging Teaching Style

Ganun pa man, nagtuturo si Sir Barral ng mga advanced topics na talagang nakakatulong sa future career natin. Nakakatuwa rin ang mga example projects na pinapakita niya.

Neutral

Encouraging Teaching Style

Prof. Barral's knowledge is impressive but sometimes it's hard to follow his pace. Some topics felt rushed, and I wish we had more time to delve deeper into them.

Positive

Encouraging Teaching Style

Excellent course! I felt prepared for the group project thanks to Professor Barral's thorough lectures. Most importantly, he encourages us to think critically about software engineering.

Positive

Encouraging Teaching Style

The group projects were a bit overwhelming, but Prof. Barral was there to guide us. I wish there were more one-on-one sessions to clarify complex topics, pero okay naman overall.

Positive

Informative Class Lessons

Si Christian ay may magandang method of teaching. He uses real-world examples which makes learning easier. Natutunan ko ang agile methodologies at madali itong na-apply sa projects. Keep it up!

Positive

Encouraging Teaching Style

Overall, the course was quite challenging but rewarding. Prof. Barral's feedback on our projects was detailed and helped improve my code quality. I appreciated his patience during our presentations.

Positive

Encouraging Teaching Style

Magaling si Sir Barral sa pag-explain ng mga topics. Yung mga coding exercises sa class ay tumulong sa akin na ma-apply ang theory sa real-world applications. Pero sana ay magkaroon pa ng in-depth discussion sa mga case studies.

Positive

Encouraging Teaching Style

Professor Barral is very approachable and always willing to help. His explanations of software design patterns were clear and made it much easier to understand the concepts. Highly recommended!
